

ParentingMontana.org
has information and tools for parents of children
at every age to address simple and challenging
parenting issues using this 5-step process.

Step 1. Get Input

Create opportunities for your child to interact and engage with you.

Step 2. Teach

Demonstrate how to do a task successfully.

Step 3. Practice

Create opportunities to try what they are learning.

Step 4. Support

Provide feedback, reteach, and follow through with logical consequences.

Step 5. Recognize

Recognize effort and success, no matter how small.
